portion of the pay of the addl clerk sanctioned for each Taluq office in the Govt order of the 16th March '07, which each municipality may be called upon to meet.

If as reported by the President, the addl clerks in the Taluqs except Koppa, Mudgere and Yedehalli (Sub Taluq) are to do D F work exclusively, it appears proper that the whole pay of the clerks should be borne by the Distt Funds

For the Taluqs of Koppa and Mudgere and the Sub-Taluq of Yedehalli additional clerks are reported to be unnecessary as the D F work there is slight, why the order of 16 3 07 sanctioning an addl clerk to each Taluq office requires modification in respect of these 3 Taluq offices Why the President should not have provided for the known and Sayer officials, in Taluqs other than these for which addl clerks are stated to be unnecessary is not clear

The President has not reported what portion of the pay Rs 15/ are to be borne by the municipalities of Koppa, Mudgere & Yedehalli, as has suggested to increase the pay of the existing municipal Muthadars to Rs 15/, & being asked to do both D F & municipal work, is appr,

There appears to be no financial objection to the draft in the file being approved.

A uniform proportion of 1/3 or 2/3 (except in some Taluqs of the Kolar District) in all the Districts may seem desirable considering that the local fund clerks at Talaqs have very little Municipal work - So long as the Municipalities

Sir,

With reference to your docket No 9457-63/M1 452-06-1 dated 12th April 1907, calling for a report as to what portion of the additional Local Fund Clerks' pay on Rs 15/- sanctioned for each of the taluks in Government Order No 8333-44/L B.(422-05)-12 dated 16th March 1907, may each Municipality be called upon to contribute, I have the honor to state that the total annual cost of the Local Fund Clerks to be entertained for the ten Taluks in this District will come to Rs 1,800/- But there being no Municipality in the Bangalore Taluk, the pay of one clerk has been deducted from the total cost and a moiety of the balance viz , Rs 810/- has been apportioned among the Municipa-lities in proportion to their average actual receipts during the three years from 1903-04 to 1905-06 The pay of the clerks in question has been proposed to be met equally by the District and Municipal Funds as is being done in the case of the present Bor Inspectors' pay

2 I may be permitted to state that the marginally noted* Municipalities are already maintaining Mutsaddis who are looking after the Municipal work As the ~~Municipal~~ Local Fund Clerks about to be entertained for the Taluks in which these Municipalities are situated, will have no Municipal work to attend to, these Municipalities cannot reasonably be made to contribute anyting towards the pay of these services of the existing Mutsaddis are dis-

-pensed with However, I beg to submit herewith a statement showing the amounts which each Municipality may be called upon to contribute, as called for by Government

Order thereon No. 1064-72 / mr 452-06 21

Dated Bangalore 11th ~~January~~ June 1908.

The Local Fund clerks in the Taluk offices at the District Head quarters work under the Amildars who are not the Vice Presidents of those Municipalities all of which, with the exception of those at Chitaldrug and Kolar, maintain separate clerical establishments exclusively for Municipal work It is desirable that at Kolar and Chitaldrug also the Municipal clerical work should continue to be carried on as heretofore and that the newly sanctioned clerks for the District Head Quarter Taluks ~~sh~~ should be employed exclusively on work connected with the District Funds , no portion of their pay being charged to the Municipal

Municipal Funds .

2. The President of the Kadur District reports that Tarikere , Koppa, Mudigere and Kadur Taluks, the employ Local Fund Clerks exclusively for District Fund work i lutely necessary and that their pay will be met entir District Funds , the work connected with the Municip these Taluks being carried on as heretofore, by the sp establishments maintained for the purpose. At Yedahal ever , the Municipal clerk is proposed to be entrusted both the Municipal and District Fund Work , his pay be from Rs. 10 to Rs. 15 per mensem and charged to the Mu Funds of Yedahalli and the District Funds of Kadur in th portion of two thirds and one third . These proposals a proved.

3. The President of the Kolar District reports that the palities of Chintamani and Bowringpet are agreeable to co bute a moiety of the pay of the Local Fund clerks while t of Srinivasapur , Goribidnur , Gudibanda and Bagepalli ability to contribute their quota. The proposals of the mani and Bowringpet Municipalities are accepted but the o tion prayed for by the Municipalities of Goribidnur , Gu and Srinivasapur cannot be sanctioned as their financial dition is satisfactory. They should contribute their qu viz, one third. As the closing balance in favour of the palli Municipality according to the Budget estimates for t year 1907-08 falls short of the prescribed minimum and the average income of the Municipality for the past three year is about Rs. 600/- only this Municipality will, as a tempor measure, be exempted from contributing towards the pay of clerk.

4. The President of the Kolar District [illegible]

the

Municipalities of Hoskote, Doddballapur, Tyamagondalu, Clospet, Anekal, Devenahalli and Vadigenhalli are already maintaining mutsaddies for clerical work and that they cannot reasonably be asked to contribute towards the pay of the newly sanctioned Local Fund Clerks unless the services of the existing mutsaddies are dispensed with The work Inspectors having been absorbed as Local Fund Clerks and temporarily placed in charge of the duties of the Sanitary Inspectors, the mutsaddies referred to who are all employed primarily for the supervision of the conservancy staff should be otherwise provided for as early as practicable and all the minor Municipalities in the Bangalore District should contribute towards the pay of the Local Fund Clerks employed in their respective Taluks.

5. The proposal of the President of the Bangalore District to debit to the Municipal Funds one half of the pay of the clerks in all but the Bangalore Taluk is sanctioned but the method suggested for calculating the quota payable by each Municipality viz apportioning the aggregate Municipal quota among the several Municipalities in proportion to their receipts, does not commend itself to Government as it is complicated and unfair The contribution payable on account of each clerk should be calculated separately and if there are ~~two are~~ two or more Municipalities benefited by the services of such clerk, the Municipal quota should be apportioned in proportion to their average incomein the manner laid down in Government Proceedings o 5219-27/Mi (452-06)-17 dated the 5th December 1907 for the distribution of the charges of the President's offices The same rule will apply to the horse allowance sanctioned to the Local Fund Clerks for looking after the duties of Sanitary Inspectors

6 As the President of the Mysore District reports that pending the final orders of Government on his letter No 160 dated 16th September 1907 regarding the absorption of Work Inspector

the Local Fund Clerks have not been entertained. Separate orders will issue in regard to the contribution payable by the minor Municipalities in this District.

7. As regards the contribution payable by the other Municipalities, the Presidents propose that one third of the clerk's pay in each Taluk or sub Taluk may be debited to Municipal Funds This is approved subject to the apportionment of the Municipal quota as indicated in para 5 supra.
